New Uzbekistan University

November 10, 2026

Dear CSRankings Maintainers,

I am writing as the Dean of the School of Computing at New Uzbekistan University (NewUU), Tashkent, Uzbekistan, to officially confirm the faculty appointments and institutional affiliations of Prof. Buğra Çaskurlu and Prof. Sejuti Rahman. I request that their faculty profiles be added to CSRankings under NewUU.

1. Prof. Buğra Çaskurlu

Faculty status: Prof. Çaskurlu holds a full-time research faculty appointment at New Uzbekistan University at the rank of Professor, under a three-year employment contract. The position is a regular academic faculty position, rather than a temporary, visiting, or postdoctoral appointment. He also serves as the Dean of the School of Computing.

Appointment level: His appointment at New Uzbekistan University is 100% (full-time).

Department and School membership: He is a faculty member of the School of Computing and serves as its Dean.

Doctoral supervision: He is authorized to serve as the sole supervisor of PhD students in the University's approved computing specialties.

2. Prof. Sejuti Rahman

Faculty status: Prof. Rahman holds a full-time research faculty appointment at New Uzbekistan University at the rank of Professor, under a three-year employment contract. The position is a regular academic faculty position, rather than a temporary, visiting, or postdoctoral appointment.

Appointment level: Her appointment at New Uzbekistan University is 100% (full-time).

Department and School membership: She is a faculty member of the Department of Artificial Intelligence and Robotics within the School of Computing.

Doctoral supervision: She is authorized to serve as the sole supervisor of PhD students in the University's approved computing specialties.

The information above is provided as official confirmation of their faculty status, appointment levels, academic affiliations, and doctoral supervision authorization at New Uzbekistan University. Should further documentation or verification by a higher university authority be required, it can be provided upon request. Thank you for your consideration and for maintaining this valuable resource for the computing research community.

Sincerely,

Prof. Buğra Çaskurlu
Dean, School of Computing
